**HIS MAJESTY  
KING GEORGE VI**

King George VI ascended the Throne upon the abdication of his elder brother, King Edward VIII, on December 11th, 1936. His Majesty was born on December 14th, 1895, at York Cottage, Sandringham, and was christened Albert Frederick Arthur George. In 1920, he was created Duke of York, Earl of Inverness and Baron Killarney by his father, King George V. After the War, the King turned his mind with keenness and energy to the problems of peace and industry. His Majesty, like his revered father, comes to the Throne with a solid reputation for effective though unobtrusive public service.

**GOD SAVE THE KING.**
